PROJECTS

- **Winku**

Winku is a cutting-edge social media application designed to revolutionize the way people connect and interact online. Inspired by the functionalities of platforms like Facebook, Social Connect aims to provide users with a seamless and enriching social networking experience.

Key Features:

1.Profile Creation and Customization:

- Users can create personalized profiles with photos, bio, interests, and contact information.
- Customizable privacy settings to control the visibility of profile information.

2.Social Networking:

- Friend requests and mutual connections management.

3.Content Sharing and Engagement:

- Seamless sharing of posts, articles, photos, and videos.
- Like and comment functionalities to encourage user engagement.
